Falling in Love

Chapter 1 by Unkie

I guess you could say I fell for her. The first time I had the nerve to approach Abbey I was so nervous that at the last second I chickened out and hurried on by her. I looked back and ran into the wall, dropping some library books. I got light headed and passed out on the floor.

Chapter 2 by Captain

The second time was different, I was ready.

"Hey abbey," I called out, my voice echoing down the hallways.

"Yeah," she said back, her brown hair falling over he shoulders.

"Do you want to go to Fortelli's for dinner tonight, 5 o'clock," I asked hope in my voice.

"Yeah, how about 5:30, and then afterwards we can walk around the park," she replied, grabbing her books from her locker.

"Alright, see ya then," I replied.

She walked backwards and blew me a kiss and ran down the hall.

"Man that went well," I said to myself.

Chapter 3 by Jannie Rae

Gosh she seemed as excited as me! Even though she said she would meet me at Fortellis, I wondered if she 'really' was going. I had never felt like this before. It has happened before to me.

Chapter 4 by Galaxy

"James, hello earth to James" my best friend Kyle was standing next to me waving his hand in the front of my face, "Dude are you going to go talk to her or what, we've been standing here for 2 minutes".

"Oh um, yeah I am". I look down and realize that I'm walking toward her, I don't know if I should be excited or afraid, I look up from the ground and see Garret Wilson holding her hand.

'Well that went well' I thought to myself, I could feel that my face was turning red. I knew this wouldn't work, I'm just not the type of guy a girl that beautiful would ever think of dating.

-----"Hello class I am James Peterson, and I am here to talk to you about true love. My first love was in high school, it turned out that she didn't have the same feelings for me as I did for her, it was a rough time for m-"

"Um, I think I'm speaking for the whole class when I say this, but how is this supposed to help us" a kid in the back said

"Well if you didn't interrupt me then you would find out, anyways back to what I was saying. It was a rough time for me but that helped me realize who I actually did love. Her name is Elizabeth, we have been married for more than 15 years" I silently wait for the clapping to tire down

"Thank you, now with my help we can find true love for each and every one of you students, if you are willing to pay the price, it's simple. All you have to do is give your soul over to me, quick and easy process. Now repeat after me."
